

## Online Teacher for English Courses

**Do you want to work in an international environment? Would you like to help international students to gain admission to university studies in Finland?**

Eduction is a Finnish education export company established in 2017. We help students from around the world to develop their skills through our Pathway to Finland program and to apply successfully to our partner universities in Finland. We are now looking for **a passionate teacher to help international students to prepare for bachelor's degree studies in Finland!**

### Your role and responsibilities

We seek an experienced teacher who can take responsibility for designing and delivering effective online study courses for aspiring university students. You will support students to reach the skill level needed for university entry and provide them with a good foundation to succeed in further studies. Your tasks will include the following:

- Designing online courses on our online learning platform (Claned)
- Developing and preparing online teaching materials
- Organizing online teaching sessions
- Leading online discussions
- Developing and evaluating course assignments and exams
- Maintaining records on student progress/grades

### What we expect from you

We expect you to have a strong academic background in English and Academic Communication. You should also have experience of designing and delivering study courses at an undergraduate level and have a good understanding of online learning.

- Postgraduate degree in a related field
- Teaching qualification or extensive experience in teaching at a university level
- Good understanding of online teaching and learning
- Ability to prepare and deliver effective and engaging online courses
- Fluent in English
- Excellent written and oral communication skills
- Excellent IT skills
- Ability to create positive learning experiences and connect with students
- Ability to work in an independent and organized manner

### What we offer you

This position offers you a one-of-a-kind opportunity to be part of building something big! You will have a crucial role in creating an innovative online learning program that helps students from all over the world to reach their dream of studying in Finland.

At Edunation, you get to work on diverse tasks that give you valuable experiences for your career. We have a professional and open-minded work environment, where an individual's contribution is valued, and employees can make an impact.

We offer you an exciting teaching job that can be undertaken from home, on a flexible, part-time basis.

**Apply to this position by filling in the application form** that is found on our website <https://www.edunation.co/contact-us/careers/>. The application deadline is 30.6.2022.

Questions and inquiries can be made by e-mail to [careers@edunation.co](mailto:careers@edunation.co)

### About our program

Edunation's [Pathway to Finland](#) program has been designed for international students wishing to earn a degree from universities in Finland. We aim to provide students with a smooth transition to university studies.

Our programs have been specifically designed for students who wish to start their university studies abroad, but do not yet meet requirements for direct entry. The program helps students to prepare for higher education studies and reach the skill level needed for university entry. The studies consist of English language studies and subject-specific studies.
