Karelia UAS: Certificate-Based Selection

January 2027 Intake

You can be accepted in certificate-based student selection **ONLY IF** you have one of the below-mentioned degree certificates fulfilling the minimum requirements. In addition to fulfilling the certificate-based admission criteria, all applicants must demonstrate English language proficiency. You may do so by submitting a **valid English language certificate**. **This requirement applies to both the Industrial Management (IM) and International Business (IB) programs.**

For the **Industrial Management program**, applicants without an English certificate may still be considered. In such cases, they will be required to participate in an **online interview to assess their English proficiency**. Please note that this option is available **until May 14 only** and is subject to limited availability.

Table Of Contents

To learn more about the requirements for a specific country, simply **CLICK ON THE COUNTRY NAME** below for detailed information. **Please note that if a country is not listed, it is not included in the Certificate-based selection.** In that case, applicants can choose to apply using the SAT test selection instead.

- **TELC** (The European Language Certificate) English B2-C1 university qualification, completed on or after 1 October 2021: minimum of B2 level (Test sections: Listening/Reading/Language Elements, Writing and Speaking)
- **Oxford ELLT Global and Oxford ELLT Digita**l: (English Language Level Test), completed on or after 1 July 2023: a minimum total score of 6.0 (Test sections: Listening, Reading, Writing, and Speaking) and Speaking score of 5.5 and above
- Upper secondary or Higher education degree completed in English in an EU/EEA country, Australia, Canada, New Zealand, Switzerland, United Kingdom, or the United States, or a doctoral thesis completed in English in any country. Please note that your degree must be taught and assessed entirely in English**.
    - The language of instruction must be clearly stated on official documents (also in cases where the official language of the degree awarding country is English). You can also document this by submitting a certificate/letter from your university / educational institution in addition to your official study documentation. If the applicant's degree includes courses conducted in a language other than English, the degree might not meet the requirement.
    - The applicant must attach a certificate of their grades. For qualifications that are visible in the national register, a certificate does not need to be attached, details are received automatically from the national registry for study rights and completed studies.
    - The degree must also be a qualification that provides eligibility for higher education in the country in which it was awarded.
    - Degrees from international schools or institutions located outside the listed countries, where the degree is completed locally but awarded by an institution from another country, do not qualify.

** IELTS Academic UKVI, IELTS Online, PTE Academic Online, PTE Academic UKVI and TOEFL iBT Home Edition and Oxford ELLT Digital are also accepted.*

NOTE: In addition to fulfilling the certificate-based admission criteria, all applicants must demonstrate English language proficiency. You may do so by submitting a valid English language certificate. This requirement applies to both the Industrial Management and International Business programs. For the Industrial Management program, applicants without an English certificate may still be considered. In such cases, they will be required to participate in an online interview to assess their English proficiency. Please note that this option is available **until May 14 only** and is subject to limited availability.

Validity & Verification

- Language test results must be verifiable from the online verification service of the organiser.
- If the test scores can no longer be verified, the test is not valid. The applicant should make sure that the test results are not too old. If the applicant is unsure and the test results are more than 2 years old, it is advised to retake the test.
- When taking the language test, the applicant should choose Karelia UAS as the recipient of the results, if possible.
